This indicates your category, that is School Leaver, Mature Age, Repeater, or International student.

Advice of your achievement of the university’s Competence in English requirement.

Your TISC Number (User ID) Use this when contacting TISC, or accessing TISC’s website.

Your Australian Tertiary Admission Rank (ATAR), is a number which reports your position relative to other students. For example an ATAR of 70.00 indicates that you have performed better than 70% of the WA Year 12 school leaver age population.

ATARs below 30 are not reported.

The ATAR is calculated in two steps.

First, TISC calculates your Tertiary Entrance Aggregate (TEA) by adding your best 4 scaled scores plus 10% of your best scaled score in one LOTE (Language Other Than English) course from 2013 or later, if any, plus 10% of your scaled score(s) in Mathematics: Methods and Mathematics: Specialist from 2017.

Subject to accumulation and unacceptable combination rules.

Second, each TEA is then converted to an ATAR using a method which includes consideration of the number of students with a TEA and the total WA population of Year 12 school leaver age.

This preserves your rank position as measured by your TEA. A summary of the 2017 TEA to ATAR conversion is on TISC’s website www.tisc.edu.au.

Eligibility for University Courses

Each university has a message indicating your eligibility to be considered for its courses.

Note: Satisfying admission requirements is not an indication that you will receive an offer to any particular course. Selection for particular courses is subject to course prerequisites, having a competitive ATAR or Selection Rank for that course and any other course-specific criteria.

Universities Admission Advice Letter

You can download your 2017 results and ATAR information from TISC’s website until 1 March 2018.

If you require hard copy on official TISC stationery, log in to TISConline. After 1 March 2018, use the Application for Record of Results in the Downloads and Forms area.

A fee applies.

ATAR/Selection Rank

Based on additional criteria, Curtin, ECU, Murdoch and UWA may assign to you a Selection Rank that is higher than your ATAR for admission to their courses.

If this applies to you, your Selection Rank for the particular university is shown. In all other cases, your Selection Rank is your ATAR.
