Advice of your achievement of the university's Competence in English requirement.

Your TISC Number (User ID)
Use this when contacting TISC, or accessing TISC's website.

Your Australian Tertiary Admission Rank (ATAR), is a number which reports your position relative to other students. For example an ATAR of 70.00 indicates that you have performed better than 70% of the WA Year 12 school leaver age population.
ATARs below 30 are not reported.
The ATAR is calculated in two steps.
First, TISC calculates your Tertiary Entrance Aggregate (TEA) by adding your best 4 scaled scores* plus 10% of your best scaled score in one LOTE (Language Other Than English) course from 2012 or later, if any.

Eligibility for University Courses
Each university has a message indicating your eligibility to be considered for its courses.

Note: Satisfying admission requirements is not an indication that you will receive an offer to any particular course. Selection for particular courses is subject to course prerequisites, having a competitive ATAR or Selection Rank for that course and any other course-specific criteria.

Universities Admission Advice Letter
You can download your 2016 results and ATAR information from TISC's website until 1 March 2017.
If you require hard copy on official TISC stationery, log in to TISCOnline.
After 1 March 2017, use the Application for Record of Results in the Downloads and Forms area.
A fee applies.
