

# EDITH COWAN UNIVERSITY

## NOTE:

- You can't repeat the same course code (but you may include a code for the same course at a different campus).
- ECU has listed Indicative ATARs/Selection Ranks for each of its courses, to give applicants an indication of the ATAR/Selection Rank normally required to enter each particular course. The Indicative ATARs/Selection Ranks are a guide only to the eventual ATAR/Selection Rank required for each ECU course in 2017, which will only be known after all offers have been made. If you're eligible for the ECU Access pathway, your ATAR will be boosted and you will have a Selection Rank which is higher than your ATAR. See [www.tisc.edu.au](http://www.tisc.edu.au) for information on Selection Ranks.
- \* Indicates a course has prerequisites.
- # Requires separate application to ECU for interview and/or audition to be arranged.
- ^ Available as a separate Bachelor degree.
- † Some majors available in this course may only be available exclusively at either Joondalup, Mount Lawley or off campus.
- @ The first year only of the course is offered at ECU South West (Bunbury). Students will be required to relocate to Joondalup to complete their course.
- The University Preparation Courses (UniPreps) are available free to Australian Citizens, New Zealand citizens and Australian Permanent Residents.
- The first two letters of the course code indicate the following:  
 EA = Audition/Interview Required      EB = South West Campus (Bunbury)  
 EJ = Joondalup Campus                      EM = Mount Lawley Campus  
 EP = University Preparation Course
- Check codes carefully as some courses are offered at more than one campus.
