

MURDOCH UNIVERSITY

NOTE:

- You can't repeat course codes within your six preferences.
- Murdoch has listed Indicative ATARs/Selection Ranks for each of its courses, to give applicants an indication of the ATAR/Selection Rank normally required to enter each particular course. The Indicative ATARs/Selection Ranks are a **guide** only to the eventual ATAR/Selection Rank required for each Murdoch course in 2017, which will only be known after all offers have been made. If you're eligible for Murdoch's RISE program, your ATAR will be boosted and you will have a Selection Rank which is higher than your ATAR. See www.tisc.edu.au for information on Selection Ranks.
- A method of study of 'F' indicates that you intend to undertake your course on a full-time basis internally (attending classes on-campus).
- A method of study of 'P' indicates that you intend to undertake your course on a part-time basis internally (attending classes on-campus). Note that part-time does not refer to attendance at evening classes. Part-time students attend the same classes as full-time students but take less units per semester.
- A method of study of 'E' indicates that you intend to undertake your course externally (undertaking your study off-campus). Students who nominate to study in the external mode are normally limited to studying a part-time load. Note that, although not indicated, many other courses are partially available externally.
