

# MURDOCH UNIVERSITY

## NOTE:

- You'll need to use course codes for applying or changing preferences. You can also find these codes and course information using the 'Course Search' function on TISOnline. For most courses, you'll be selected for admission to university in 2018 on the basis of your ATAR/Selection Rank.
- Murdoch has listed Guaranteed ATARs/Selection Ranks for most of its courses. If you achieve the Guaranteed ATAR/Selection Rank for a course, you are guaranteed acceptance into that course, provided you also achieve WACE and English Competency. Remember, though, that the actual offer you receive will depend on your preference order (see pages 3-6 and 6-9 for more details). Some courses have no Guaranteed ATAR/Selection Rank listed, as they use additional selection criteria (such as UMAT, audition, interview, etc) and/or have limited places available. If you're eligible for Murdoch's RISE program, your ATAR will be boosted and you will have a Selection Rank which is higher than your ATAR. See [www.tisc.edu.au](http://www.tisc.edu.au) for information on Selection Ranks.
- Minimum ATARs/Selection Ranks have also been provided by Murdoch for most of its courses. Minimum ATAR/Selection Ranks show you the rank needed to be considered for entry to a course. However, obtaining these ranks is not a guarantee of being selected for a place in these courses. Some courses will have N/A for the minimum ATAR/Selection Rank, where an ATAR is not applicable due to emphasis on other eligibility criteria. All courses lead to a Bachelor degree except where indicated.
- See information on Methods of Study on page 4.
- N/A means that a rank isn't applicable due to emphasis on audition, interview, presentation of portfolios, past experience, etc.
- All courses lead to a Bachelor degree except where indicated.
