

THE UNIVERSITY OF WESTERN AUSTRALIA

NOTE:

- All courses have a prerequisite of English Language Competence. Some courses have additional prerequisites. Check the UWA course information on Course Search.
- You can't repeat course codes.
- You'll need to use course codes for applying or changing preferences. You can also find these codes and course information using the 'Course Search' function on TISCOOnline. For most courses, you'll be selected for admission to university in 2018 on the basis of your ATAR/Selection Rank.
- UWA has listed Guaranteed ATARs/Selection Ranks for most of its courses. If you achieve the Guaranteed ATAR/Selection Rank for a course, you are guaranteed acceptance into that course, provided you also achieve WACE, English Competency and a scaled score of 50 or more in the ATAR course prerequisites listed for the university course. Remember, though, that the actual offer you receive will depend on your preference order. Some courses have no Guaranteed ATAR/Selection Rank listed, as they use additional selection criteria (such as UMAT, audition, interview, etc) and/or have limited places available. If you're eligible for UWA's Broadway program, your ATAR will be boosted and you will have a Selection Rank which is higher than your ATAR. See www.tisc.edu.au for information on Selection Ranks.
- Minimum ATARs/Selection Ranks have also been provided by UWA for most of its courses. Minimum ATAR/Selection Ranks show you the rank needed to be considered for entry to a course. However, obtaining these ranks is not a guarantee of being selected for a place in these courses. Some courses will have N/A for the minimum ATAR/Selection Rank, where an ATAR is not applicable due to emphasis on other eligibility
- * The Bachelor of Philosophy has a minimum ATAR of 98.00, the Master of Pharmacy, the Doctor of Podiatric Medicine and Medical Sciences have a minimum ATAR of 94.00, Psychology has a minimum ATAR of 95.00. Obtaining these ATARs is not a guarantee of being selected for a place in these courses.
- ^ Medicine, Dentistry and Music have additional entry requirements. Entry is not based solely on ATAR.
- N/A means that a rank isn't applicable due to emphasis on audition, interview, presentation of portfolios etc.
- All courses lead to a Bachelor degree except where indicated.
