2017 APPLICATIONS AND OFFERS BY FIELD OF EDUCATION

The statistics below give details of offers made through the TISC system, by Field of Education.

Fields of Education are assigned to courses by the university concerned. They are based on the Australian Standard Classification of Education (ASCED).

The data report all offers by the 'primary' (main) Field of Education. Offers into double degree courses are reported a second time, by 'secondary' Field of Education, which classifies aspects of the other degree that are not adequately described by the primary Field of Education.

Applications - Number of 1st Preferences

WACE - 2016 Western Australian Certificate of Education students

For further details about ASCED see Australian Bureau of Statistics website at www.abs.gov.au.
