

This table shows data relating to offers made through TISC. Offers made directly by institutions are not included.

- Minimum rank for consideration:** Indicates the minimum ATAR/Selection Rank required to be eligible for entry to the course, subject to meeting any other requirements and places being available.
- Lowest Selection Rank offered a place:** A Selection Rank includes a person's ATAR, plus any university-specific adjustments made as a result of schemes such as Murdoch RISE, or consideration of exceptional circumstances. This column provides the best guidance to your eligibility for a place.
- Lowest ATAR offered a place:** The ATAR listed here is the 'raw' ATAR, excluding any university-specific adjustments. Where the lowest ATAR listed is below the minimum rank for the course, the offer will have been made, taking into account any university-specific adjustments.
- N/A** Indicates that offers are not based solely on ATAR/Selection Rank.
- Indicates that no offers based solely on ATAR were made in this course
- January Round Availability:**  
OK = places readily available in this course  
Limited = a small number of places may be available in this course  
None = no places are available in this course
