2015 COURSE STATISTICS SUMMARY - SCALED SCORES FOR SPECIFIC PERCENTILES

21/12/2015

(Includes international and mature age students)

WACE Course	Number of Students	Mean Scaled Score	Standard Deviation	Min Scaled Score	Max Scaled Score	P90	P75	Median P50	P25
--------------------	---------------------------	--------------------------	---------------------------	-------------------------	-------------------------	------------	------------	-------------------	------------

Notes:

Number of students is all students with a scaled score in the course(includes international and mature age students).

P90, P75, P50 and P25 columns refer to the scaled scores on the 90th, 75th, 50th and 25th percentiles respectively. For example, P90 is the top 10%, that is 10% of scaled scores are equal to or greater than the scaled score given for P90.

Table excludes percentile data where there are fewer than 50 students.

Where there are fewer than 5 students in a course then only the number of students with a scaled score is reported.
