

HOW TO APPLY VIA TISCONLINE

FOR NON-WACE APPLICANTS

1

Register as a new user (unless you have a current STAT candidate number) and create your password.

2

Add contact details (address, email, phone)

3

Answer demographic questions (eg country of birth).

4

Add at least one preference. You can choose up to six.

7

Complete payment. The application won't be considered until you have paid.

5

Tell us about your studies or qualifications including Year 12 (Australian or overseas), VET qualifications, any previous uni study - even if incomplete.

9

Upload requested documents. You can do this now, or later, but don't miss the closing date.

8

Print or save your coversheet & check if it asks you for documents.

6

Check your application is true, complete & correct, then complete Application Declaration.
