## FOREWORD

This brochure provides information on which courses accept the Special Tertiary Admissions Test (STAT) as an admission pathway to the five participating universities in Western Australia.

To be eligible to sit STAT, you must be an Australian or New Zealand citizen or a permanent resident of Australia who will be 20 years of age or over before 1 March 2023. If you do not meet this requirement, there may be other circumstances that allow you to sit STAT, please check the [TISC website](#) before proceeding.

This information is correct as of June 2022 and is based on information provided by the participating universities at the time of publication. The information in this brochure is relevant only for admission in 2023 and is subject to change without notice.

## DISCLAIMER

The universities reserve the right to change the content and/or method of presentation and/or the method of assessment of any units of study, to withdraw any unit of study or program which they offer, to impose limitations on enrolment in any unit or program, and/or vary arrangements for any program.

Enquiries regarding university admissions requirements should be directed to the individual university(ies) concerned. TISC and

the participating universities cannot accept liability for any incorrect advice received from sources other than TISC, the universities or the universities' officially appointed agents.

## PARTICIPATING UNIVERSITIES

Curtin University  
Edith Cowan University  
Murdoch University  
The University of Notre Dame Australia  
The University of Western Australia

## COURSES ACCEPTING STAT AS AN ADMISSION PATHWAY

The following tables list the courses at Curtin University, Edith Cowan University, Murdoch University, The University of Notre Dame Australia, and The University of Western Australia, which are offered through TISC. Each course for which STAT is accepted as an admission pathway in 2023 is indicated, and the STAT elements considered for those courses are identified. The universities may have additional requirements (such as pre-requisite courses at Year 12 level) for some courses.

Fees apply to sit STAT. Current fee information is listed on [TISC's website](#). STAT may not be the most appropriate entry pathway for all applicants with work and life experience – TISC strongly encourages potential candidates to seek advice from the university/ies where they wish to study before booking for STAT.

## CURTIN UNIVERSITY

Where it is possible to enter a course based on STAT results, the following indicates the STAT requirements for entry to Curtin courses in 2023. Note: WE = Written English test. MC = Multiple Choice test. Where courses do not accept STAT for entry, applicants are able to utilise the Written English component to demonstrate competence in English.

## THE UNIVERSITY OF WESTERN AUSTRALIA

Where it is possible to enter a course on the basis of STAT results, the following indicates the STAT requirements for entry to UWA courses in 2023. Note: WE = Written English test, MC = Multiple Choice test. Applicants wishing to demonstrate competence in English via STAT must sit both the Written English and Multiple Choice tests.

Students wishing to apply for a course where STAT is not accepted should apply for one of UWA's comprehensive degrees and transfer to their preferred course, usually after one or two semesters. In most instances, this will not extend the duration of the preferred degree course.
